OFFICE ORDER

Kanpur, the 29th October 1958

No. Edu.13(3)/58—The undersigned is pleased to declare that on the recommendation of the Board of Examiners dated the 24/25th October 1958 Shri J. C. Bhargava is awarded the fellowship of the National Sugar Institute in 1958.

S. N. GUNDU RAO
Director

DEPARTMENT OF MINES

NOTIFICATION

Dhanbad, the 27th October 1958

No. Board/11297/58—In accordance with the provision laid down in Regulation 13(5) of the Coal Mines Regulations, 1957, the following bye-laws made under Regulation 13(4) for the grant of medical certificates of fitness under Regulation 28, are published:

Bye-laws for the grant of Medical Certificates of fitness under Regulation 28 of the Coal Mines Regulations, 1957

1. *Constitution of Medical Boards*—(1) Medical Certificate of Fitness to a holder of Manager's or Surveyor's Certificate shall be granted by a Senior Medical Board which shall consist of:

- (i) The Civil Surgeon, Dhanbad;
- (ii) A qualified medical practitioner nominated by the Chief Inspector; and
- (iii) The Inspector of Mines (Medical) or, in his absence, a Junior Labour Inspector of Mines (holding medical qualifications) nominated by the Chief Inspector.

The Inspector of Mines (Medical) or the Junior Labour Inspector of Mines, as the case may be, shall also act as the Secretary to the Senior Medical Board.

(2) Medical Certificate of Fitness to the holder of an Overman's, Sirdar's, Engine Driver's, or Shotfirer's Certificate shall be granted by a Junior Medical Board which shall be constituted for every Inspection Region, consisting of:

- (i) The local Civil Assistant Surgeon;
- (ii) A qualified medical practitioner nominated by the Chief Inspector; and
- (iii) A Junior Labour Inspector of Mines (holding medical qualifications) nominated by the Chief Inspector.

The Junior Labour Inspector of Mines shall also act as the Secretary to the Junior Medical Board.

2. *Payment of fees to members of Medical Boards*—Every member of the Senior and Junior Medical Board, other than the Secretary, shall be paid by the Chief Inspector of Mines, out of the money realised by him under bye-law (3), a fee of Rs. 16/- and Rs. 5/- respectively, for every candidate examined.

3. *Application for a Medical Certificate of Fitness*—(1) An application for the grant of a Medical Certificate of Fitness shall be made by the candidate to the Chief Inspector not less than four months prior to the date on which the Medical Certificate of Fitness is required.

(2) Every such application shall be accompanied by a fee of Rs. 32/- in case of a holder of a Manager's or Surveyor's Certificate; and a fee of Rs. 10/- in the case of the holder of an Overman's, Sirdar's, Engine Driver's or Shotfirer's Certificate. The fees shall be paid as prescribed in Regulation 198 of the Coal Mines Regulations, 1957.

4. *Examination by Medical Board*—(1) The applicant may be required to appear for a medical examination at such time and at such place as may be fixed by the Medical Board and communicated to the applicant by the Secretary.

(2) For ascertaining the fitness of a person to carry out properly the duties prescribed for him under the Act and the regulations etc., the Medical Board shall keep in view the standards laid down in the First Schedule to these bye-laws. The Medical Board shall submit its report in the forms contained in the Second Schedule to these bye-laws.

5. *Provision for re-examination*—If a person fails to satisfy the Medical Board regarding his fitness to carry out properly the duties prescribed for him under the Act

and the Regulations etc., he may request the Chief Inspector for a re-examination by the Standing Medical Board of the State concerned. For every such re-examination the fee stipulated by the Standing Medical Board shall be paid by the applicant in the manner intimated to him by the Secretary.

FIRST SCHEDULE

General Physical Requirements

1. A candidate must be in good mental and bodily health, and free from any physical defect likely to interfere with the efficient performance of his duty. He should not be grossly over-weight.

2. *Hearing* must be good, and there should be no progressive disease effecting hearing.

3. *Speech* must be without impediment.

4. *Chest measurement*—The girth with the chest in full expiration and full inspiration should be recorded to determine the range of expansion (between the minimum and maximum). In all doubtful cases the functional capacity of the lungs may be tested.

In the examination of candidates, the Medical Board will apply the following table of correction of height and chest girth:

Height without shoes		Chest Measurement			
(in inches)	(in cm)	On full expiration		On full inspiration	
		(in inches)	(in cm)	(in inches)	(in cm)
Between 62½ and 65	Between 159 and 165	30	76	32	71
Between 65 and 68	Between 165 and 173	31	79	33	74
Between 68 and 70	Between 173 and 178	32	71	34	76
Between 70 and 72	Between 178 and 183	33	74	35½	80
More than 72	More than 183	34	76	36½	83

5. Chest must be well formed, the lungs and heart sound. After 20 hops (or stands-and-squattings), pulse should return to normal within 3 minutes.

6. The teeth must be in good order; decayed or broken teeth must be properly stopped or crowned, and deficient teeth replaced by artificial teeth where necessary.

7. There should be no *hernia*.

8. There should be no *hydrocele*. In case there be a hydrocele, the person may be permitted to get operated and, if the operation is successful, may be declared fit.

9. The limbs, feet and toes must be well formed and developed with free and perfect motion of all joints.

10. Candidates should not suffer from chronic ailments of skin or other systems.

11. Vision should be of the following standard:

Naked eye	Correct with glasses	near vision
Better eye 6/12	6/8	6
Worse eye 6/24	6/9	8

Note:

1. Myopia in the above standard should not exceed 6D.

2. Manifest Hypermetropia should not exceed 1.5D.

3. In case of error of refraction above 2D, ophthalmoscopic examination should be conducted to detect any progressive morbid changes of the choroid or retina.

4. *Night blindness*—Candidate's night vision will be tested to ascertain whether or not he suffers from night blindness.

5. In case of defective vision due to nebula of the cornea, the candidate will be rejected.

6. Squint or any morbid condition subject to risk of aggravation or recurrence in either eye may cause rejection of a candidate.

SECOND SCHEDULE

Form I

Statement to be filled in by the applicant in the presence of the official medical attendant

1. Name

2. Holder of Certificate of Competency No.

3. Date of Birth Age.
Years months.
